UNIVERSIDAD DEL PACIFICO

BA in Business

Lima, Peru

2015 - 2020

- Ranked in top 10 out of 139-person class for academic performance
- Studied abroad at King's College London
- Led pro bono consulting team for mental health NGO, doubling yearly donations by improving data generation and analysis

EXPERIENCE

BEES APP, ANHEUSER-BUSCH INBEV (AB INBEV)

Lima, Peru

\$1.6B annual commerce platform serving >300,000 independent retailers across Peru

Product Manager - Online Strategy

2025 - 2026

- Launched ML-driven Product Recommendation Model in partnership with Data Science, optimizing coverage vs. precision tradeoffs across 8M+ monthly touchpoints; drove 7.6% YoY growth for total distribution and 17.1% for first-time purchases.
- Redesigned loyalty program's reward-allocation logic and secured Strategy VP buy-in to shift investment toward behaviors that drive incremental sales; grew share of investment generating incremental revenue from 74% to 85% YoY.
- Built the Promotional Investment Testing Roadmap, BEES Peru's first LLM-driven framework enabling investment-hypothesis analysis at a larger scale; generated \$200K annualized savings and \$2.0M company-wide investment reallocation.

Monetization Manager

2024 - 2025

- Launched new product feature surfacing loyalty rewards for first-time purchases in the app's highest-traffic sections, partnering with Analytics and Design; grew share of users earning purchase rewards from 44% in 2023 to 83% in 2024.
- Created co-funding model for retailer infrastructure with no existing precedent by incorporating market research on unmet needs; scaled to 10K+ retailers, hitting all-time high monetization (\$3M, +15% YoY) and \$100/mo retailer income growth.
- Established the BEES School, a bi-weekly program training 1000+ AB InBev's sales reps on new app features and adoption tactics, closing the gap between product launches and field execution.

BEES Digitalization Lead

2021 - 2023

- Founded and scaled BEES's first third-party distribution business line from scratch, owning partner negotiation, pricing, operations model and launch strategy end-to-end; generated \$500K GMV in year one with no existing playbook.
- Built first monetization strategy for BEES in Peru, translating partner and customer unmet needs and crafting positioning, partner-facing messaging and pricing; incorporated 13 companies and delivered \$2.6M EBITDA in year one.
- Managed three direct reports, developing personalized growth plans and achieving a 100% promotion rate.

Global Management Trainee (AB InBev's top LDP)

2020 - 2021

- Selected among 1,700+ applicants into AB InBev's top leadership pipeline, rotating across marketing, sales and supply chain.
- Led creative process for the launch of an in-house digital content creator to improve beer category perception, reaching >5M views, >1M likes and >200K followers on Instagram and TikTok within 3 months.

THE ADECCO GROUP

Lima, Peru

Global talent and technology advisory company, present in 60 countries

Continuous Improvement Analyst

2019 - 2020

- Led 17-person team using Design Thinking and journey mapping to diagnose and redesign processes across all business units, delivering four improvements adopted company-wide.
- Implemented change management strategies after merger of five offices, boosting productivity for over 200 employees.
